Status: \_\_\_\_\_  
*Please specify undergraduate, graduate, etc.*

### Terms of Use

The Inland Empire Academic Libraries Cooperative (IEALC) is a voluntary effort of selected San Bernardino, Riverside, and Los Angeles county academic libraries to make the combined resources of all the member libraries available to local high school students; teachers and professors; and college students enrolled at any of the member institutions.

None of the member institutions receive any additional funding for the time and effort they expend on the cooperative.

By using their IEALC cards at member libraries, borrowers are agreeing to abide by all rules, policies, etc., of those libraries. Failure to do so will result in suspension of the IEALC card.

Your IEALC card is valid for one calendar year, from August 31<sup>st</sup> to August 31<sup>st</sup>. Reapply annually at your home library for continued access. There is a \$3 charge to replace a lost IEALC card. Only one replacement card will be issued in an academic year.

My signature confirms that I have read, understood, and accepted the terms of use as stated above.
